GENERAL INFORMATION

A Monthly Fleet Mileage and Fuel Summary must account for all gallons of fuel received and all miles traveled.

INSTRUCTIONS

- 1. **Name** enter the name of the IRP registrant or fuel tax licensee.
- 2. Report Month enter the month for which the fuel was received and mileage accumulated.
- 3. **Report Year** enter the calendar year for which the fuel was received and mileage traveled.
- 4. Fuel and/or IRP Account Number.
- 5. Fleet Number of power units.
- 6. Unit or VIN enter the vehicle identification number or unit number for each power unit.
- 7. **Miles, Fuel Received** enter the jurisdiction name, miles traveled and gallons of fuel received for each jurisdiction.
- 8. **Total** enter total miles traveled and fuel received for each vehicle.
- 9. **Totals** enter the total miles traveled and fuel received for each jurisdiction and for all jurisdictions.
